

Aquaglide

Lanai™

Description 4 person towable lounge or aquapark base.

Specifications 98"L x 98"W x 10"H

Paradise is lying in the sun on your own private island. Newly re-designed for 2009, the Lanai™ is a versatile swim platform that can also be towed. Offering a veritable oasis of living space, the Lanai is ideal as a launching pad for any watersports, or just for relaxing. When it's time to cool off, simply clip off anchor and use the Lanai to tow up to 4 people! Try sitting, lying down, or even standing for extra style points. The unique hexagonal shape offers exceptional stability. AquaLink connectors help attach boats, or customize platform with accessories.

The Lanai™ platform is made using a heavy duty 26 gauge PVC, 2-chambered bladder covered in a combination of 600d polyester and 840d nylon for the best combination of strength, durability, performance and style. Extra-wide inflatable floor provides buoyancy, stability and fast sliding while underway. TowControl strap made from padded webbing adjusts to provide flexible handholds for riders while sitting or standing.

Lanai™ Features

Rapid Inflate Valve

This unique valve system offers the best possible combination of high air volume and ease of use.

1 Year

Aquaglide towables are the best in the business. We proudly offer a 1 Year warranty against manufacturing defects.

QuickConnect Towing Attachment

Makes connecting to the tow rope extremely quick, easy and safe.

AquaLink Connectors

Stainless steel system offering a wide range of options for Aquaparks, accessories, or mooring.

TowControl Strap

A unique strap which can be easily adjusted to ride sitting, prone, or even standing.

FullWrap Cover

Offers the security and stability of a heavy duty cover wrapping completely around the inflatable for higher performance.
